The following are Applicant's comments on the Examiner's Statements of Reasons for Allowance included with the Notice of Allowability dated February 24, 2005 (at paragraph 4) and the Statements of Reasons for Allowance included with the Office Action of March 22, 2004 (at paragraph 5) and the Office Action of October 6, 2003 (at paragraph 6). The 2/24/2005 Statement essentially repeats the prior statements and thus all three statements will be considered together and collectively referred to as ("The Statement").

The Statement appears to quote certain language from each of the independent claims, but there are other limitations present in each of the claims not referred to in the Statement. The claims, of course, are a combination of multiple limitations, and it is submitted that other limitations alone and in combination provide other reasons for patentability. Moreover, many of the dependent claims include additional limitations that also provide further reasons for patentability.

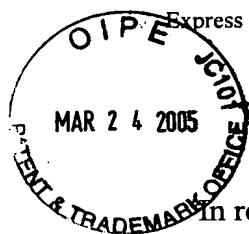

In any event it is submitted that the claims in their present form are allowable over the items of record.

Respectfully submitted,
